Adventure Activity day

A world of outdoor adventure to break barriers and build confidence.

The girls-only itinerary at the Cataract Activity Centre is a challenging and rewarding experience for girls and young women. It is designed to boost confidence, break barriers and build resilience. What better time to disconnect from the devices and reconnect to nature? From abseiling to caving, challenge valley to rock climbing, Cataract Activity Centre offers leading adventurous activities set amongst 160 hectares of bush on Sydney's edge. Programs run from 8.30am-3.30pm.
